Mark will help you and your church with both your personal and your corporate prayer ministries.

He led Dr. Charles Stanley's Men's Prayer Ministry, Sons of Thunder, for 4 1/2 years and often admits that prayer does NOT come easily to him. He is a STRONG teacher for "Praying Scripture Back to God" which is an important part of what he will demonstrate and speak to.

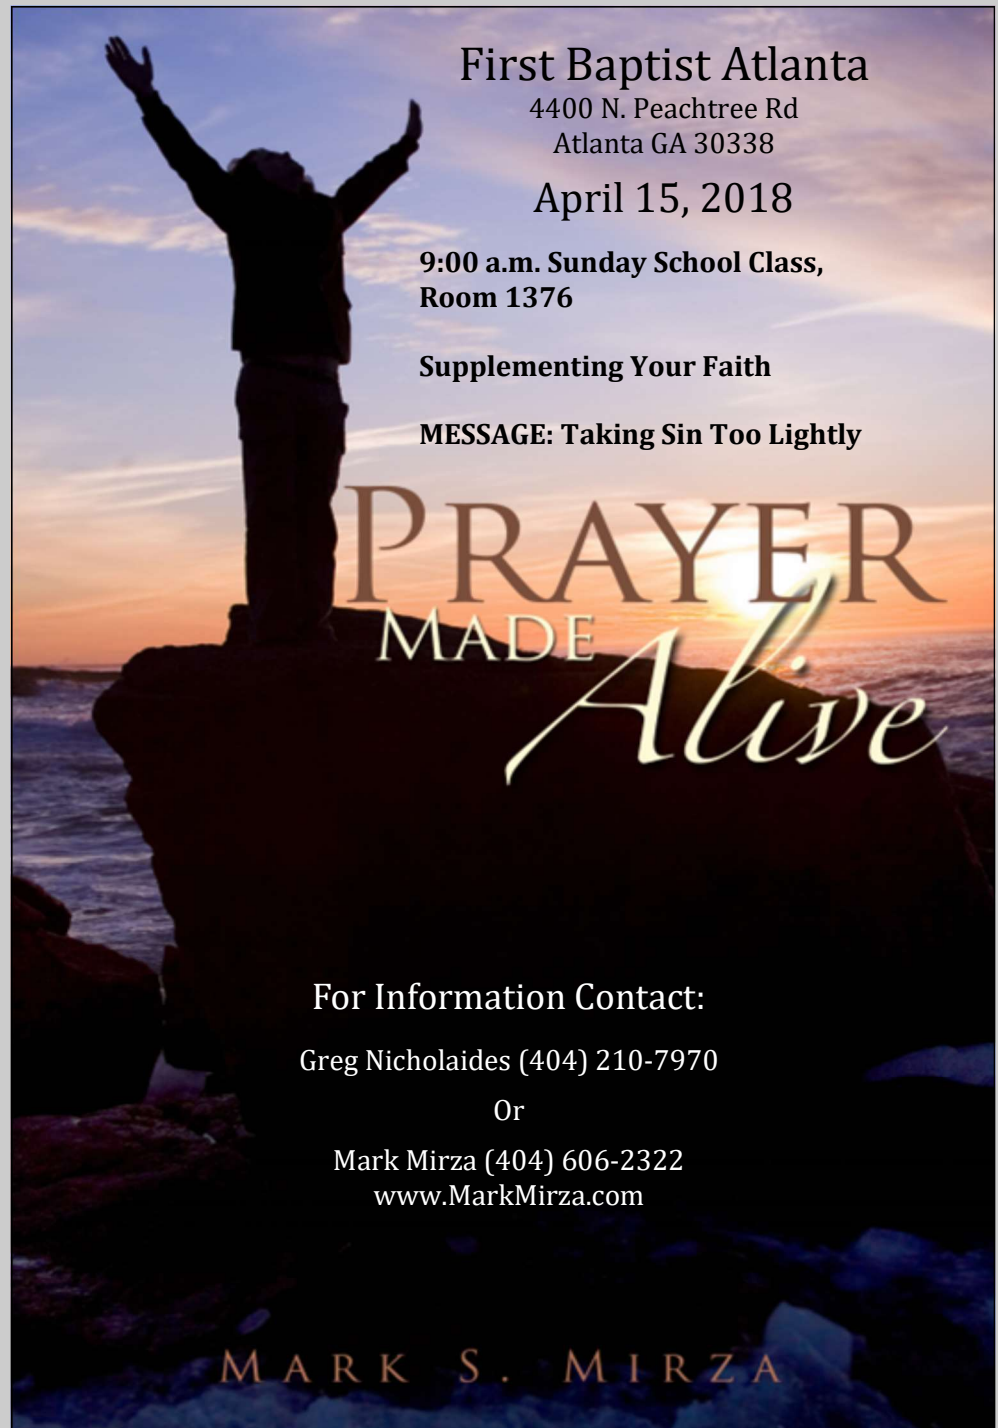

Mark was in the corporate world until July 2008 and worked at First Baptist Atlanta until November of 2010 when this prayer ministry became a full-time endeavor.

Mark is the author of The Prayers. He is married and he and his wife Naida live in Atlanta and attend 1027 Church, where he was ordained. He collects old Christian books (on prayer, of course). He and his wife have a horse, *Coração*, boarded in North GA where they spend much of their spare time.
