Revised 10/2023, but only partially so you can still see
how our all night prayer times varied

Good Evening,

Our desire is that this time of prayer is a wonderful blessing for you.

We will be very active tonight as we talk to God, listen to God, search His scriptures, and fellowship with one another.

Look forward to a wonderful time tonight.

 share with others your prayer times

During each prayer session you will travel (alone or in pairs), into other rooms, etc & return to Heritage Hall at the end of the hour.
